Helen Forsyth

Helen was born and raised in Brandon, married to a local boy, Brian since 1980. They have two children Brett and Ashley.

She works at Behlen Industries as an Engineering Clerk.

Helen enjoys golfing, downhill skiing, racquetball, volleyball and walking. She has also accompanied her husband on soggy motorcycle trips, yes trips -plural. "My best times are spent relaxing and laughing with family and friends. (and after those trips you have to laugh!!)"

She was drawn to the dragon boat team, as a support person, after witnessing the vibrancy and strength of its members. She appreciates their goals and determination. They are a great group to be around.

Helen was team manager from 2002 to 2004.
