

New 2000 Dragon Busters

Becky Foster

Shore Team: 2000

Becky was from Rivers and is the daughter of Ron and Shelley Foster. In 2000 she dressed in a dragon costume and was the team mascot at the Winnipeg and Regina festivals.

Garth Feasby

Member: 2000-2001

Garth was from Brandon and has recently retired as a psychiatric nurse. He joined the team shortly after his diagnosis and while he was undergoing treatment. He found that there was very little information available for male breast cancer survivors. Through the Waves of Hope he became acquainted with a male member of Winnipeg's Chemo Savvy team. Together they are providing support to others.
