5.0 1:20 September 20, Wheat City Dragon Boat Races Merle/Sue  
George presented on Wheat City Dragon Boat racing in September 20th, 2008. Commended Merle and Sue on acquiring the support from MPA. Registration forms available from any committee member (Merle, Sue Willa, Natasha and George). George issued a challenge to each of us to get one team in the race. We could do a family division, or any other combination. Hockey or Football Team challenge, Rugby, Soccer Baseball, mix and match teams or competitive teams as well as business teams. Plant seeds now and follow up in month. Push comes in August. We will want to know keep tabs on how registration is coming along and if there is anything we can help with such as needing practice time etc. Stress the "Fun, fun, as this is our 10<sup>th</sup> season, and we appreciate all the community support. Announcement at each practice if we are successful in getting a team committed. Realistic goal is 50 teams. \$675.00 for each team registration goes to MPA. We will need to look at giving something back to the team if they raise a certain dollar value. Need a positive spin on this event. As we get numbers we need to look at exposure, wide variety of people and different events taking place. Need good people who will hype event and need good announcement voice so we need to keep this in mind. We also need to make the event appealing from visual standpoint. We will also need to look at a reward for the top team fund raisers and top person fund raiser etc. Let's make this a real fun event and do as much

as we can to support this now that we have this opportunity. It is our opportunity to really promote this event in our community and to make it a real success.
