

Dragon Busters - Inaugural Team - 1999

Catherine (Cathy) McCallum

Cathy has been in the floral business since 1988. She enjoys times with family and friends, walking and dancing, reading, gardening and day trips to the country exploring small towns and communities.

Cathy was diagnosed with breast cancer at 43 and had a mastectomy followed by six months of chemotherapy. Devastating as it was, Cathy says that her life has improved. It has become an incredible journey, enriched by a spiritual awakening. She is proud to be a member of the Waves of Hope dragon boat team and cherishes all of her "dragon boat, Waves of Hope" sisters.
