

Dragon Busters - Inaugural Team - 1999

Marg Sterling

Marg was born in Scotland and emigrated with her husband Jim and one son in 1965, settling in Elkhorn, Manitoba. With a two year stay in Virden, they soon found Brandon to be "just the right size". Their five sons have grown and Jim and Marg are enjoying the peace and quiet of retirement, Marg from the city of Brandon Human Resources and Jim from Simplot Canada.

While their interests are traveling, Marg also has recently taken up quilting and enjoys the company of team members who join her for a sewing circle. Of course, there is always more talking than sewing. We always have time for a chat over tea while we are sewing. Marg was the drummer in the first Dragon Busters' race in Winnipeg, and continues to drum as well as a paddle.
