Joined 2013

Doreen was born in Souris and lived at Riverside on a mixed grain and cattle farm until she completed high school. Doreen was a registered nurse and nursed from 1970-2008 mostly in Brandon. Her husband is David.

Doreen was diagnosed with two types of breast cancer in April of 2012 and had a radical mastectomy in May followed by chemo, radiation and Herceptin for a total of 1 ½ years treatment. Her last Herceptin will be in November of this year.

Doreen has two children, three step-children, 11 grandchildren and one great-grandchild.

Dave and Doreen love to travel. Jamaica and Mexico are their favourite places.

Doreen joined Waves of Hope this year and has really enjoyed the new friends she has made and their caring attitudes and support they give each other.
